

FIRE RESISTANT RECORD CABINETS

Storage just got a whole lot

SAFER

Certified & listed at

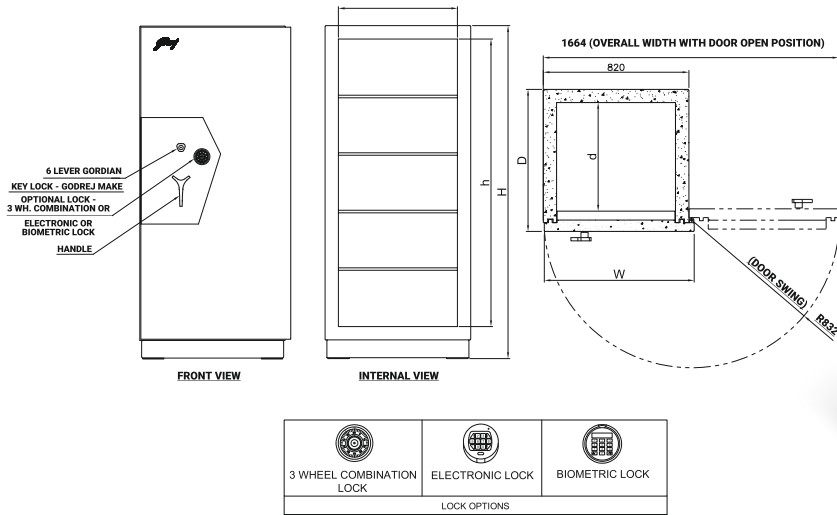

Fire Resistant Record Cabinets (FRRC)

It takes years to build a business and just a few minutes of carelessness to destroy it. Fact is that 4 out of 10 businesses are not successful enough as before when their important files and records are destroyed in fire. A fire can deploy anytime and destroy all your documents and valuable data.

FRRC is designed to protect your business records and provides adequate storage to keep the bulkiest of files, ledgers and other important documents.

Features

- Fire Resistance for 60 mins and 120 mins
- Endures temperature upto 1000°C maintaining internal temperature within 177°C
- Heavy duty slides for easy & smooth operations of drawers having fire partition
- Unique interlocking system for independent drawer access
- Press-button release handle with built-in index panel on each drawer
- Tongue and groove construction prevents passage of hot gases into the drawers
- Snap-shut mechanism minimizes time taken to lock the cabinet during crisis
- Proprietary in-fill material structure shields the cabinet from floor collapse
- Additional locking options with Combination locks, Electronic locks and Biometric locks
- Tested and IS 14561:2014 certified
