

# DEFENDER PRIME DOUBLE DOOR SAFES

DESIGNED TO FIT YOUR SECURITY CONCERNS

Defender Prime Double Door Safes are expertly designed to meet your security needs. With rising threats and advanced tools making intrusions more likely, the need for superior security has never been more urgent.

Our Defender Prime Double Door Safes are built to withstand even the most advanced attacks, offering robust protection for your business to protect their valuables while maintaining an attractive display.

## Features

### Strong and Seamless Body

With fully welded multi-corner bend construction without a single rivet.

### Strong Shooting Bolts

To secure the door behind the jamb box against dislodging

### Two-Step Door and Frame Construction

For higher resistance against fire and burglary

### Dual Control High Precision

8-lever locks protected with unique drill-defeat shield in the door

### Double Duty Barrier (DDB)

Armoured with Double Duty Barrier (DDB) material in the door and the body

### Additional Beta Relocker

Sets the safe into a deadlock with relockers and an additional beta relocker to protect from precision attack on the lock

### BIS Standard Tested

Tested as per BIS standard IS 550.

## Tool Resistant Safes ( TL Safes )

Hand Tool

Picking Tool

Impact Tool

Resistant to only tool attacks

- These include power drill, sledge hammer, chisels, crowbars, lock picks, etc.
- Contains only Double Duty Barrier (DDB)
- Godrej Class C Safes are TL resistant
